SEASON 2023 ISSUE 14

PRESIDENT'S REPORT

Hi Team,

What a great day to wrap up the season for the U9's in their Lightning Carnival last weekend, the photos looked great and the smiles were ear-to-ear. Looked like fun. This weekend the U10's play their Carnival to put an end to their season and it would be great to see you all back at the final Grub of the year to celebrate your season.

As we approach our "Vote Count" night, if you believe there is anyone at the Club who could be considered for a perpetual award, please fill out the form on the last page of the Acorn and/or send an email to Caz at SecretaryOYCFC@gmail.com to submit your nomination.

I will take this opportunity, before we head to finals, to thank the outgoing committee members. Without these dedicated volunteers Clubs simply do not exist. As I mentioned in May, we have some 303 registered volunteers at the Club and while the Committee make up a small percentage of this figure, the work that is done pre-season and behind the scenes is so important in getting our kids registered, in shorts and socks with a kit bag and putting up milestone achievements to Social Media. We are keen to have involvement from some of the younger age group parents represented on the next Committee and further details can be found further on in this newsletter.

Thanks to the U18 (17.5) Boys for hosting last week's grub and getting the place cleaned at the end of the night. Thanks Team, great effort and great feed.

The last Grub of the year will be hosted by the combined U13's teams this weekend and it would be great to see as many people there to farewell our Grub sessions and celebrate the end of the Home and Away Season.

Enjoy your weekend of football and for those teams taking the next step into Finals, best of luck to all of you.

Go Dragons!

Brodie Phillips,
President

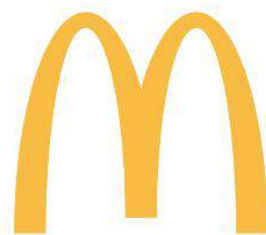

2022 COMMITTEE / OFFICIALS

President: Brodie Phillips
Vice President: David Cash

REMINDERS

UNIFORMS

A reminder to all our families as we prepare to finish off Season 2023. ALL player tops must be returned to your Team Manager immediately after your final game. Our playing jumpers are an expensive item for the Club to replace. Please bring a spare top to change into after your final game, and hand your game day jumper over to your TM who will record it as being returned. Failure to return may result in a fine.

Please note this year the Club will be accepting donations of used, clean, game day shorts and football boots on Presentation Day. Check your cupboards for any spares! Game day shorts must be in good condition and washed before being dropped off. We are looking to implement second hand - gold coin - short sales at the 2024 Welcome Night. The Club will also collect football boots (must be returned clean!) for donation to the REBOOT campaign, with footy boots donated to rural and remote areas of Victoria, South Australia and the Northern Territory for kids playing footy in these areas.

THE ACORN

SEASON 2023

ISSUE 14

ROUND 14 / SUNDAY 13 AUG

COMMITTEE MEMBERS NEEDED!

As noted previously, we anticipate a number of Committee vacancies in 2024. There are still a few positions to be decided, but we know the below will be vacant in 2024. Please take the time to read and see if there's anything you can assist with. We're particularly keen to get some representatives from the younger age groups involved, we have a number of Committee Members with children aging out of junior football in 2024.

REGISTRAR (EXECUTIVE COMMITTEE)

Accept registrations and forward requirements onto League. Keep an updated Club registration database including game records, assist with general correspondence with Club members. Contact person for new members.

Currently Performed By: Kane Leopold. Kane has filled this role for a number of years. He will remain on the Committee and provide guidance in 2024 but is stepping down from the Registrar role in 2024.

PROPERTY OFFICER

Manage ordering of uniforms and various Club apparel. Assist with sales of merchandise at Club welcome night and Grub at the Club. Assist with purchasing of training/football department equipment.

Currently Performed By: Chris Goodman. Chris will no longer have a child playing at Oakleigh Dragons in 2024, and as such leaves the Committee. This role must be filled for Season 2024. There are detailed handover documents, and a number of Committee Members with exposure to the role to provide assistance. Chris will of course be happy to help with queries as well!

SOCIAL CO-ORDINATOR

Arrange and co-ordinate a variety of social events for Club members together with volunteers.

Currently Performed By: VACANT. 2023 was the first season we haven't had a social function for some time. The Club wants this role filled to assist in ensuring we keep our Club focus continuing as a family-friendly, community Club in 2024.

WEBSITE / SOCIAL MEDIA CO-ORDINATOR

Maintain and update Club website, assist with ad hoc IT matters and manage and monitor social media.

Currently Performed By: Kathy McGeoch. Kathy has filled multiple roles on the Committee for many years and is seeking to step back in her responsibilities in 2024. She will still be available to assist with the transition of these roles in 2024. No advanced technical/IT knowledge required.

COMPLIANCE OFFICER

Monitors and ensures appropriate volunteer qualifications including Working with Children Checks, Coaching and First Aid qualifications are uploaded into the League specified database.

Currently Performed By: Kathy McGeoch. As noted above, Kathy has filled multiple roles on the Committee for many years and is seeking to step back in her responsibilities in 2024. She will still be available to assist with transition of this role in 2024.

SCAMMELL GROUND MANAGER

Responsible for the smooth running of game day at Scammell. Conduct initial ground/club room inspections at home matches. Report on any maintenance deficiencies (and assist to address where possible) and liaise with the ground-markers to ensure line markings are clear. Ensure the scoreboard is operational. Ensure goal post pads are up before the start of play. Monitor team clean-up at the close of play, noting that the club room clean-up is the responsibility of each team playing on the day, NOT the Ground Manager. While this can be a non-Committee Role, your attendance at Committee meetings may be required on an ad hoc basis. Presence is not required at Scammell all day.

Currently Performed By: These responsibilities are currently undertaken by Brodie and Caz, the Club President and Secretary respectively. The President and Secretary roles are an enormous responsibility, taking up a significant portion of time. In a standard season there are just 15 days of football played at Scammell Reserve. One person, assisting with these tasks for just a few hours on just 15 days of the year would greatly assist to spread the workload.

PRINCES HIGHWAY GROUNDS OFFICER

Conduct risk assessment of playing fields at home matches. Manage any maintenance deficiencies. Organise the marking of ground lines. Ensure scoreboard and timekeeper equipment is available. Ensure goal post pads are up. Can be a Non-Committee Role, attendance at Committee meetings required on an ad hoc basis.

Currently Performed By: VACANT. The Club works to liaise with the SMJFL to avoid use of Princes Highway Reserve where possible, to keep our Club based at Scammell. Games were played at Princes Hwy on just 9 Sundays in 2023. Someone committing to assist with this role for just 9 days of the year would again greatly help to ease the workload on the Committee. Could also be combined with the Scammell Ground Manager role.

COACHES' REPORTS

U9 MIXED GREEN JAKE BENOITON

It was a terrific day to end our season at our Lightning Carnival this weekend with the boys playing blistering football and getting the rewards for it in all three of our games. Our pressure and intensity were there from the start and we played our brand of football during the afternoon which was really pleasing.

The boys have been superb this year and after a little lull in the middle of the season have come home in such strong fashion, I couldn't be prouder of their efforts. Having battled with our backs against the wall for most of the year, the football and teamwork we've been able to produce has been special. A big thank you to all our teammates in the U9 Yellow team and their coach Dan Aitken for all their help at training and on game day. Our U9 program has been a pleasure to be in, as the two teams worked together all year which was a great decision.

THE ACORN

SEASON 2023

ISSUE 14

ROUND 14 / SUNDAY 13 AUG

U9 MIXED YELLOW DANIEL AITKEN

We brought our season to a close with the Lightning Carnival held at the JL Murphy Reserve at Port Melbourne. Our opponents for the day were Ormond and Highett, the latter a team we had come up against with some success earlier in the year.

Our first game was against Ormond, and we started the game off a little hesitant and they beat us to the ball first which made life difficult. At half time we spoke about making that small adjustment to hunt the ball in numbers and take the game on and the boys responded exactly as you would want, playing some great team footy which was epitomised by Angus unselfishly setting up a couple of goals for our team. A special shout out to Blake who I had set a goal for him to be that tall target forward for us taking a couple of great overhead marks and kicking his first goal for the club.

After a break we then came up against Highett for our second game and in similar fashion to the first game the boys were slow out of the blocks and played catch up for the remainder of the game. The most impressive thing from the game for me, and it shows how far our boys have come this year, was the fight and determination to continue led brilliantly by a couple of our smallest kids standing up against much bigger opponents in Jack and Reyan and not taking a backwards step well done boys.

Our final game was two 1 quarter games against Ormond and Highett as there were only three teams in our group. We quickly had to back up and you could tell the long day was starting to wear on all our boys who were waiting for that final siren to come.

From where we started the year off to now, I am so proud of the development of all the boys have shown this year it has been an absolute pleasure coaching this group in their first years, of hopefully many, in the Green and Yellow.

Finally, a huge shout out to Hilly and Linda, our Team Managers, for their tireless efforts in making sure roles were filled each week by our fantastic group of parents. A big thank you to Dan for helping me out with the coaching and to Zane, Kris, Matt and Chris for umpiring all games throughout the year. It was great that so many families were able to come to Grub following the Lightning Carnival.

THE ACORN

SEASON 2023

ISSUE 14

ROUND 14 / SUNDAY 13 AUG

U10 MIXED GREEN ALEX O'BRIEN

On a cold morning we faced Waverley Park Hawks at Columbia Park in Wheelers Hill.

We got off to a flyer in the first quarter and played well for the rest of the game to sing the song loud and proud.

Harvey and Deon were Captains for the week and played well for 4 quarters.

Well done to David, Archer, Thommy M, Max M and Ethan on putting in fine performances.

Max B and Maison played their best games for the year, they have improved every week.

The pressure was great for 4 quarters with Thommy E, Ben, Kai, Rishabh, Tyler and James on moving the ball well in and out of the zones. The overlap run and use of handball was great to see.

Special shout out to Max, Thommy and Kai who made a banner for our team to run through.

Great team effort, well played by everyone. Go Dragons.

THE ACORN

SEASON 2023

ISSUE 14

ROUND 14 / SUNDAY 13 AUG

U10 MIXED YELLOW RICK DAVIES

Another week and another solid performance against a much stronger side.

We moved the magnets around and it was great to see the response from the team.

Charlie was really strong again on the wing. Luke did well in the forward line before moving to the midfield and Thomas played solidly in defence in the last quarter.

Eli and Bronx (pictured) both put in solid displays as Captains after a strong week on the track.

Looking forward to the Lightning Carnival this week.

U11 MIXED ALLEN COOK

We played Dingley at their home ground today and only had 18 players so no bench and the opposition had a full squad. Dingley are a tough opponent with loads of big bodies so we needed to compete hard and get our running game going and that's what the boys did.

Co-Captains were Darcy and Jonah and both boys played really strong games.

Finley and Phoenix were strong on the last line of defence, as were Ambrose and Masaki with both boys making multiple intercepts to send the ball forward. Matty was also inspirational leading the way with repeat efforts to inspire his team mates. Harrison and Finn scored early goals to get us in front and our pressure and hunt for the footy kept the game really tight.

The boys lifted in the third quarter with some great running play from Spyros and Darcy plus our small brigade of Leo, Oliver and William kept burrowing in to keep the ball in our forward line.

We went to the 3 quarter time break with our noses in front but you could see the boys were starting to tire.

The final quarter was a bridge too far. The opposition scored a lucky goal early thanks to a fluky bounce and despite our best efforts, we weren't able to claw back the lead going down by a couple of goals.

Fantastic effort all round Dragons, you played with great spirit and should be proud of yourselves!

U12 GIRLS MARCO PERSI

The pointy end of the season has arrived quickly and with finals within our grasp a win against 2nd place Port Melbourne Colts would make our ambitions of making the top 4 a real possibility.

We've yet to beat the Colts losing by 5 goals in round 1 but only 7 points in our last outing and after a promising start we gave ourselves every chance. Kicking the first goal of the match we were looking good, Sophia winning the ruck contests, Miette gliding down the wings and Bonnie and Jess providing the muscle breaking through packs in the midfield and around the ground.

It was a good old fashioned arm wrestle, neither team giving an inch and our reliable backs Stella and Greta intercept

THE ACORN

SEASON 2023

ISSUE 14

ROUND 14 / SUNDAY 13 AUG

marking, tackling and creating great run out of our backline.

Lavinia channeled her Matilda's spirit down back, saving goal after goal and intelligently hand balling to players in positions to allow them to run off and free the ball from our backline.

Unfortunately just before half time we went a player down with Kiana injuring her finger but after what seemed like any normal footballing action one of the Colts injured her shoulder and we had an extended break while she was being treated. This shook our girls. Our girls are tough and ferocious but have tender hearts of gold and you could see they felt for the injured player and came out a little flat after half time.

The Colts snuck in a couple of goals to hit the lead and our brave girls snapped back into action and Skye was unlucky not to break free and snag a goal late in the quarter.

The game was in the balance and our first year players Tyra, stood tall down back and played her best match of the season, and Ruby, up forward fought hard to pressure and lock the ball up front. Victoria and Olivia continued to run and present all match but couldn't find a way to goal.

Eleven points down with 4 minutes to play we moved Semira, who was playing a great game down back, up the ground and within minutes we created a goal to give us a sniff. Unfortunately time was our worst enemy in the end as we were doing all the attacking when the final siren blew, falling short 2-1-13 def by 2-6-18

Sitting 5th it's simple..... win next week and play finals. I have no doubt we'll get the job done and then we'll give the finals a real good shake. Watch out..... The Dragons are coming!!!

U13 MIXED YELLOW DAVID CASH

Played Hampton Rovers at Scammell

Another 8am start with reasonable winter weather. After rain overnight the ground was looking good considering the traffic that has been on it this football season.

The boys are fantastic, I strongly believe all the boys know that this season is all about their development and the resilience they show is great to see.

Once again with just 18 players, Jaron and Rhys donned a variety of Runner, Water Carrier, and Development coach bibs while on the bench to support their teammates from the side-line. I am sure all the players got a lift from their support.

On field we moved the magnets around to give players a break from the busy areas of the ground, but also to give some a change to play in positions they haven't played a lot of.

Overall, the boys played some very good although unrewarded football. The strong marks and in and under football were the highlight this week. The teamwork and sticking up for their mates in a controlled manner was impressive, the bigger stronger boys didn't let the opposition push our smaller players around – they showed they care about their team-mates.

One more game this season for us, with the final 4 already settled, and this game is at a more palatable 11am.

I am going to take this opportunity to thank all the helpers that have supported this great group of boys this year. We are all volunteers and the more help the lighter the load. A special thanks to Annelise for taking on the Team Manager's role again this year she has done a great job again.

THE ACORN

SEASON 2023

ISSUE 14

ROUND 14 / SUNDAY 13 AUG

U13 MIXED GREEN TIM MORELAND

Back at Scammell Reserve this week as we took on Bentleigh/Highett on a dry and calm Sunday afternoon. Our focus for the day was to get our mojo back after some patchy weeks trying to get our style right. The lads answered the challenge as we got back on track displaying some really nice link up handball plays which resulted in a 44 point win.

Really impressed by how the boys followed instructions and looked after each other all game. It stands out when we're able to produce the style of play we train for. Everyone contributed today! Aidan and Paul were controlling the backline however Aidan came off after half time with a knee complaint. Cam, James and Troy manoeuvred their opponents by playing close checking footy whilst we thought Curtis played his best game after we moved him from forward to defence this week. Cooper ran all day whilst Oscar gives us some extra on ball strength when he's in there.

We controlled the game from half time with our style and with Kaeleb crashing at the footy, Darcy R's attack on the ball and Tyler's run with game, we had a real settled on ball brigade. Up forward, we were really pleased at Heath's contesting time after time, so well done mate. Archie and Johnny followed our quick handball game to a tee and looked dangerous.

Harland was always an on field leader who runs hard. Tommy continues to control the middle of the ground with balance and Andrew has found the wing position to his liking with his run and carry. Darcy M again showed class by kicking 3 goals using both feet many times throughout the game.

Today was pleasing as we're hopefully back on track with our game style and the boys are aware of what we need to do for the coming weeks as we head into finals. Well done lads!

Go Dragons

U14 GIRLS JUSTINE LEOPOLD

This week the U14 girls had a Bye.

U14 MIXED MARCUS SPENCER

We played against: East Brighton Vampires At: Scammell Reserve

For some reason our games against East Brighton Vampires are sometimes a bit feisty. Perhaps it is the fact that they come expecting to struggle and are willing to do whatever they can, to minimise the damage.

On Sunday, that meant them playing with a loose player in defence. The result was our forward line became very cluttered when the ball was moved in slowly. Our on-ball players were pushing into the forward line along with their opponents and it made the game very congested and messy.

We did have patches of good team football. These were generally started by players giving off quick handballs to team mates who were in the open and able to carry the football. If we are to progress into the finals series, this has to become our go to style of play.

CONTACT DETAILS Brodie Phillips Ph: 0499 999 863 secretaryOYCFC@gmail.com www.oakleighdragons.com.au

FACEBOOK Oakleigh Dragons Junior Football Club **INSTAGRAM** @oakleigh_dragonsjfc

THE ACORN

SEASON 2023

ISSUE 14

ROUND 14 / SUNDAY 13 AUG

We had good contributors across the ground. Patrik, Lachie and Takoda were holding tight in defence and Campbell, Oskar, Hunter, Joshua and Mitchell were winning the ball in the midfield. Despite often having two players on him, with one generally hanging onto him, Ari was still able to kick four goals for the game.

One low point for the day was when Joshua injured his knee and was taken from the ground. Subsequent scans showed he had dislocated his kneecap and cracked a bone in his leg. This is a real shame for Joshua as he was playing well in the midfield in recent weeks and always contributes strongly for the team. We will miss his drive for the rest of the season.

We tried some players in different positions in the game, including having Henry play in the Ruck for most of the second half. He did well and as long as we can cover the key defensive roles, he might be able to help Sam to match some of the tall ruckmen we face when we play the better teams.

One more home and away game before our first night final. Looking forward to continuing to build some momentum this week.

U16 GIRLS JOHN BERNARDO

To my beautiful under 16 girls, you finished off the season with that well deserved win. We left the best 'til last and today everyone put in 100%. We worked as a team and put into action all that we practiced at training. Like I said, everyone put in, but I have got to give a few special mentions to:

- Ruby Keech for her first ever goal in 80 games
- Taylor who marked everything that came her way
- Nicole and Fiona, the great taggers
- Chanel, forever the enforcer and has the opposition trembling at their knees
- Ebony for executing the bump of the year
- Izzy "catch me if you can zig zag" Cooper, had the opposition running in circles

That's the year that was!! Thanks girls for the fantastic ride. Unfortunately no finals for us, however it definitely was fun!! Thanks to all the parents for helping out at training and on game day and an especially huge thanks to my managers Sharon and Rob.

THE ACORN

SEASON 2023

ISSUE 14

ROUND 14 / SUNDAY 13 AUG

U16 BOYS ZAC BARRETT / MASON ANSELL

This round saw the Dragons play host to St Bedes Mentone Tigers at the Dragon Dome.

With finals no longer in the equation, the boys are looking to finish this season on a high and find some form to carry over into the next season.

The match saw the Dragons playing the fast and attacking footy that won them the flag last year and played with a relentless passion. The Dragons held firm throughout the match and were able to put together a solid 4 quarter performance that saw them score a season high total.

The boys played with the passion and determination that they have become known for over the last few years.

With the match put to bed at three quarter time, the boys were able to try a few different positions and end the day with a memorable victory.

The boys now turn their attention to the Waverley Park Hawks for the last round of the year with the aspiration of finishing with a win and potentially costing Waverley a chance at finals.

U17 BOYS JOHN MCLAUGHLIN

Opponent: St Peters Away Game

Result: Oakleigh Dragons won by 3 points

Firstly, thanks for all the families who cooked meals for our Grub at the Club. The team did a great job on the night and were very impressive cleaning up afterwards. Thanks for everyone's efforts.

This week we were away to our rivals St Peters, they have had a tough season but with our history, we knew it was going to be a competitive game. We may have gone into this game a little too confident.

The first half was a tight struggle with lots of stoppages. The ground at Centenary Park is smaller than we are used to and we had trouble adapting to this. The score was 31 to 15 at half time and we hoped the game would open up in the last half and we could get on top. To their credit they kept the game more on their terms with congested footy. By three quarter time they had clawed their way back to be one point down. Our set shots at goal were not up to our usual standard, kicking 6 goals 14 points for the game in the last quarter we lifted our work rate to kick away to a 3 goal lead, it felt that we could go on with it. St Peters were having none of this and had a fantastic period where they hit the front with only minutes to go. We kicked the final goal of the game and with a tense few minutes we hung on for a hard-fought win. This win gave us the second chance in the finals in 2 weeks' time.

Special mentions from the game:

- Another big last quarter from Billy where he clunked 2 towering marks in the last few minutes to stop their momentum. He played more on the ball, and this certainly gives us options going forward.
- Our mids certainly did their job and had a good tussle with their opponents. Pete kicked 2 goals that were very important. Tommy was good in the stoppages.
- Borgy was playing very well until he copped a knock and had to go off. Xav was good on the wing and then down back when things got tight. Lachie went up to the wing and looked good.
- Most of our boys had good patches but I don't think there would be too many saying we played at our best.
- There was a big collision when Tommy and an opponent both went for a high ball, both players had eyes only for the footy. They hit each other at full pace that had us all worried for their safety. After a few minutes the opponent was able to get to his feet and make it to the bench, Tommy played on. Thankfully both players were fine.
- Well done to all the players on reaching the finals, our first goal has been achieved.

THE ACORN

SEASON 2023

ISSUE 14

ROUND 14 / SUNDAY 13 AUG

We have only 1 game to go before finals.

On Thursday there will be no training, instead the Club has kindly organised a Mental Fitness Session run by The Danny Frawley Centre. This is a great initiative by the club to help our members in not only footy. We expect all available players to be in attendance.

See all the players at training this week. We are looking forward to the challenges ahead.
Go Dragons!

U18 GIRLS GAVIN KENNY

Beautiful conditions greeted us for our Friday night away clash with top of the table Bentleigh-St Peters. Having beaten us by 50 points in our previous encounter, we knew we needed to play well to be competitive against the Demons.

It was great to welcome Clem back to the team after a long stint away with injury. It was also nice to get some help from U16 players Sienna, Bonnie and Jess. With 19 players, plenty of moves were made to give people exposure to different positions.

Bridget kicked a goal in the first quarter and great defence saw us keep the home side scoreless. After that we had plenty of opportunities to score but, like last week, we couldn't get the ball through the big sticks. A goal to the home side in the last quarter kept them in the game, but the Dragon girls were able to hang on for the win 1-10 16 to 1-3 9.

Sienna had a great game constantly repelling the ball from our defensive 50. Daisy rucked well all night and played well around the ground. Lily F was aggressive at centre half back and attacked the ball all game. Livvy did a great job on the last line of defence, never panicked and managed the kick outs well. Bridget was busy across half forward and was unlucky not to kick more goals. Matisse had a good game and laid some bone crunching tackles.

Another fantastic team effort that gives us 5 wins in a row. Really great work girls – I couldn't be prouder of the way you are playing.

ROUND 14 / SUNDAY 13 AUG

SMOKE-FREE

By law, smoking is banned within 10 metres (about two car lengths) of any public outdoor sporting venue during an organised under-18s event.

The ban includes training or practice sessions to prepare for an organised under-age sporting event, and breaks or intervals during the course of the event, training or practice session.
